KEY WEST

Key West has long attracted literary luminaries and world figures. Like many visitors, I was attracted by its small town charm and vividly colored tropical vistas.

I have hidden a number of world figures in my **Key West** print, most notable Ernest Hemingway, who stands in front of his beloved Sloppy Joe's Bar, where he held court during the last years of his life. I've included a number of vintage cars in my painting to suggest the nostalgic charm as evident today as it was in earlier decades in **Key West.**

In the clear air and luminous sky of the Caribbean colors rise to vivid heights. I utilized a broad stroke technique along with much fine detail to capture the festive atmosphere of **Key West.** Between ten and twenty layers of paint, featuring delicate glazing, create the opalescent hues of the Caribbean.

If you have fond memories of America's southernmost city, if you long for the tropics, or if you simply enjoy the dramatic charm of a bustling town, **Key West** could be a treasure in your home.

Painter of Light.

Key Points

1. Key West, Florida is the southernmost city in the United States, located on the outer tip of the Florida Keys.
2. This tropical island is washed in the colors of the Caribbean, and loved for its balmy weather, clear blue skies and warm, crystal waters.
3. Many celebrities have been attracted to this tropical getaway - in Thom's depiction of **Key West**, look closely to find Ernest Hemingway included in the artwork. Others who loved this town include Thomas Edison, John J. Audobon, Lou Gehrig, Harry Truman and Tennessee Williams.
4. Key West is a city where real estate titles date back to the Kings of Spain! Palm trees line streets filled with centuries of architecture — from Victorian mansions covered in gingerbread to tin-roofed conch houses — the town's history is rich in lore.
5. **Key West** has a timeless quality due to the inclusion of several vintage cars in the artwork.
6. "Sloppy Joe's Bar" has been located at the Corner of Greene and Duval streets since 1937. Ernest Hemingway was one of the most famous patrons of "Sloppy Joe's Bar," where he held court during the last years of his life.
