

For a period of six years, Thomas Kinkadee painted under the brush name of Robert Girard. "I wanted to reinvent academic styles — implementing my own use of light. Impressionism was an avenue that beckoned that pursuit."

Montmartre

My artist's heart beats faster in **Montmartre**, surrounded as I am by the heritage of giants. When I set up my easel and canvas on the sidewalks of what was, a century ago, the artistic capital of the world, I know that I follow in the steps of Toulouse-Lautrec, Manet, and all the others who made this section of Paris the symbol of the artistic lifestyle. Happily, Parisian women still stroll the boulevards with parasols in hand, so that my **Montmartre** retains its historic flavor.

Key Points

1. **MONTMARTRE** is in the first set of images from the *Robert Girard Collection* to be released since 2002.
2. Unique and romantic framing has been specially designed to complement the images of the *Robert Girard Collection*. If you prefer to choose your own frame, however, an unframed version is always available.
3. **MONTMARTRE** depicts the *Place du Tertre*, one of the loveliest squares in Paris. Painters from Auguste Renoir to Vincent Van Gogh have flocked to this famous artist's mecca for generations.
4. The suburb of Montmartre is also the home of the great basilica of *Notre-Dame du Sacré-Coeur*. Inaugurated in 1891, this house of God stood at the highest point of the hill, spreading physical and spiritual light over the entire city.
5. Thomas Kinkadee painted under the brush name of Robert Girard during the period of 1984-1989. These highly valued and collectible images have only recently been made available to the public, and only in very limited quantity.
