NEW HORIZONS

In my *Life Values* Collection, I explore the connections between the divinely inspired values that sustain the good life. **Perseverance**, the first issue, considers life as a voyage through stormy seas – a test of faith and a demonstration of God's sustaining love. **Courage**, expands on the metaphor of a sea voyage, bringing us to the moment of divine inspiration. **New Horizons**, my third *Life Values* print, continues the nautical theme, affirming that courage is rewarded by a dramatic expansion of horizons as we continue our life's voyage with boldness and assurance.

My **New Horizons** takes its inspiration from Dutch paintings that celebrate the timeless harbor of the 18th Century. As the more timid vessels make their way to the safety of harbor, the subject of our painting sails boldly forth exploring new horizons, when others may lack the courage to follow.

This classic ship sets sail under a dramatic sky, as "God's rays" pour from the heavens. The proud ship, confidently seeking **New Horizons**, reminds us that, with God's help, our life can be a bold exploration of all that is new and enticing in the world.

Life Values Collection

Perseverance

Courage

Key Points

1. **New Horizons** celebrates a sense of seeking new adventures and discoveries — stepping out where others don't dare to go.
2. **New Horizons** is the third release in the *Life Values* series. The first in the collection was **Perseverance**. The second was **Courage**.
3. As a tribute to his wife Nanette, Thom has incorporated a total of 17 N's in **New Horizons**.
4. Take note of the light pouring from the clouds and the translucent color that glows on the sailboat of the main sailing vessel. This sailboat is named *Confidence*.
5. Thom has included many classic sailboat designs in **New Horizons**, in which he celebrates the timeless harbor of the 18th century. The history of the boats is tied to the great tradition of Dutch seascape painting. *Simon de Vlieger* was one of the best-known Dutch maritime painters in the 1630s and 1640s. He painted ships in harbor and at sea as well as storms and shipwrecks.
6. Thom has included a message in a bottle in **New Horizons**. Can you find it?
