

Summer Breeze is a dream of a perfect day. Great Impressionist Masters—Monet, Sisley, and Renoir—were inspired by such splendor, and I, working in my Robert Girrard style, attempt to join their ranks.

Summer Breeze

Summer Breeze is a daydream from heaven; more than that, it is a dream of a perfect day. Puffy white clouds dance in the heavens, while white sails shimmer off azure waters. The joyful tranquility of the scene refreshes the soul.

Southern France—the hills of Provence and the dramatic coastline of the Cote d'Azur—is blessed with such perfect days, when an endless stream of sunlight pours over beaches and gardens. The great Impressionist masters—Monet, Sisley, and Renoir—were inspired by such splendor, now I, as Robert Girrard, join their company.

I began my love affair with Impressionism years ago, on a walk through Southern France. In the coming months, Nanette and I intend to return to the source on a bicycle sketching tour.

Summer Breeze uses broken color and broad strokes to engage the imagination; it invites you to join the artist in my heavenly daydream.

Thom's Early Years

Key Points

1. The basis for this painting came from Thom's days of tromping through Southern France. Make note of the sunlight as it pours over the hills of Provence and the dramatic coastline of the Cote d'Azur.
2. **SUMMER BREEZE** is one of the beautiful collection of Impressionistic images in Thom's Robert Girrard Collection.
3. **SUMMER BREEZE** marks Thom's early years of finding inspiration in the French countryside. This led to his use of the Girrard brush name — a persistent alter ego that allowed him the freedom to explore the beauty and drama of the Impressionist style.
4. Thomas Kinkade painted under the brush name of Robert Girrard from 1984-1989. These valued and collectible images are released in very limited quantities.
